

Narek Hasratian

Summary

I am Narek, a highly motivated Full Stack Developer with over 3 years of experience building web applications and UI components using React. My expertise also includes working with NodeJS, NestJS, NextJS, Webpack, SSR, and MySQL. I have a passion for creating clean and maintainable code that is easy to understand and scale. I thrive in a team-oriented environment and am always eager to collaborate with my peers to deliver high-quality solutions.
